Five Towns College requires students who are taking online courses to present themselves on the campus meeting dates set forth above. I understand that if I do not meet this requirement, I may not receive credit and that online instructors cannot make special arrangements for me to take any examination that I am unable to sit for on the dates listed above.

Out-of-state students may take examinations on campus meeting dates at a local library under the supervision of a member of the library staff to verify that the examinations were completed by the registered student.

**IMPORTANT:** Orientation meetings are scheduled for 60 minutes. Examinations are scheduled for 90 minutes.

***If you rely upon public transportation, you will have to make alternative travel arrangements for orientations and examination scheduled after 6:45 p.m., when the last bus leaves campus.***
